December 2021

JOIN OUR FIRM

Interior Designer/ Fanning Howey/ 350 East New York Street, Suite 300, Indianapolis, IN 46204

Fanning Howey Associates. is a full-service architectural, interiors and engineering practice with over 50 years of experience. The dedicated group of contract interior designers in Indianapolis is looking for creative people to expand our team. Projects range from space planning on small office suites to full service design work on large, national educational clients. Hybrid work arrangement is available.

An ideal candidate for the position will possess the following:

- **Education:** Bachelor's degree (or greater) from a 4 year CIDA accredited interior design or architectural program.
- **Experience:** Prefer 2-4 years of experience in contract design, but will entertain new graduates with strong skills.
- **Skill set:**
 - Have supporting portfolio of work and demonstrate exceptional creative design solutions.
 - Have advanced skills in Autodesk REVIT, CAD, rendering and 3D applications
 - Be a strong communicator. Possess well-developed visualization skills & be able to convey intent of ideas effectively and within project timelines
 - Enjoy working in a team setting and be excited to share knowledge & ideas with others.
 - Bring a strong work ethic, sense of professionalism and desire to constantly learn
 - Have an ability to interface with clients, partner firms and team in the design process
 - Significant experience in all phases of project implementation for commercial interior design including working drawings and budgeting.
 - Experience with furniture selections/specifications is beneficial
 - Have excellent references

Designer will report directly to Director of Interiors.

Please submit resume, letter of interest, pdf portfolio samples to:
